

PRESS & RECOGNITION

DARYL MILLINER MEDIA

In September 2024, Hudson by Avolta announced a seven-year contract with Pittsburgh International Airport to open six new retail stores. The stores are operated as a joint venture — HG PIT Retailers JV — with **Daryl Milliner Media** as the local Airport Concessions Disadvantaged Business Enterprise partner.

The seven pages that follow reproduce that coverage as it was published: the official announcements from Hudson by Avolta and Avolta, reports in Forbes, The Moodie Davitt Report, Airport Experience News and TRBusiness, and CBS News Pittsburgh's coverage of the ribbon cutting when the stores opened in May 2025.

Every headline, quotation and date is taken from the published article. Each page carries a code that opens the publisher's own page, so the source can be read in full.
